Public Tenders for medical devices companies Q&A Lunch session

Program

11:30 *Welcome & coffee*

12:00 – 14:00 **Interactive session with sandwich lunch**

During this interactive Q&A lunch session the speakers will discuss and provide **practical guidance and advice on current hot topics in public procurement** based on questions submitted by the participants.

Based on upfront submitted questions by participants, a selection of the most relevant and interesting questions/topics will be made and (interactively) discussed during the session. Furthermore, there will be a possibility to ask to follow up questions at the end of the session.

This Q&A Lunch session is primarily intended for those who already have experience with public procurement in Belgium.

Expert speakers: Annabelle Bruyndonckx & Michael Bulckaert (Simmons & Simmons)

Practically: participants need to submit their questions to Leen Pauwels (l.pauwels@bemedtech.be) by 12/04/2024 at the latest. For organisational reasons and to ensure sufficient questions/topics for discussion this Q&A Lunch session will only take place in case of 10 participants or more. If not, the session will be postponed to a later date.

Location: beMedTech, Romeinsesteenweg 468, 1853 Strombeek–Bever
