Financing of Belgian hospitals Current system & future trends

Tailored for medical device professionals

Prof. Katrien Kesteloot is a distinguished expert in healthcare finance. She serves as the Chief Financial Officer at UZ Leuven and is a Professor at the Medical School of KU Leuven.

Her teaching and research at KU Leuven focuses on financial management in healthcare and health financing systems.

Additionally, she is a Visiting Professor at Vlerick Business School, where she contributes to the Healthcare Management Centre.

Beyond academia, she has played significant roles in healthcare policy and management. She is a long time member of the advisory board FRZV-CFEH (Federal Hospital Council). She served as an expert advisor for the Belgian Minister of Public Health & Social Affairs from 2014 to 2020 and she also chairs the board of Emmaüs, a social profit care group.
